

Welcome back from Radish Meal times are safe times...

As your school caterer we would like to welcome your child back to school, a COVID safe environment.

We have lots of exciting days ahead to make lunchtime a fun time, with a wide choice of food for all dietary requirements.

With giveaways, theme days and our focus on healthy food we know we're doing everything we can to make this crucial part of the day as engaging as possible, and all completely COVID safe.

We do hope your child can join us.

Radish have created a number of events throughout this next term and beyond to welcome all students back.

GOLDEN TICKET

For the month of March we will be running our Golden Ticket experience. This activity is to encourage your child(ren) to eat all of their lunch. Once they have finished, they can check underneath their plate or tray to see if they have a Golden Ticket stuck there! If they are the lucky winner, they will receive a prize from the Radish team.

Easter Egg Hunt

On the last day of term Radish will be holding an Easter Egg Hunt, replacing the Golden Ticket with Easter eggs. Lucky winners will have a chance to win an Easter egg.
