

## TRAVEL THE WORLD WITH HERBY!

We are very excited to introduce our new added value initiative for 2021, 'Travel the World with Herby'. Each month he will travel to a new destination and we will hold a menu for that day, all based on which country he has travelled to

We will also be running 'Golden Plane' events, when we hide a golden plane under plates and the child who finishes their meal and finds Herby's plane under their plate chooses Herby's next destination.

Schools will be offered a metal map with a magnetic Herby who can easily fly from country to country.

## LOOK OUT FOR OUR NEW ADDED VALUE EVENTS...

## NOT FORGETTING OUR OLD FAVOURITES...

### INTRODUCING THE CARBS

#### CAPTAIN CARBS

You have already met Herby and his friend The Sugar Sheriff, now meet Mr and Mrs Carbs! These new characters will be part of our Healthy Eating Assemblies, teaching children all about good and bad carbohydrates.

### Universal Infant Free School Meals

Did you know all children in Reception, Year 1 and Year 2 are currently entitled to receive a school lunch every day, regardless of your financial situation? This is a great chance as your child is at the stage where nutrients are essential to their growth and development and it doesn't cost you anything. It is recognised that children and young people who eat well, are healthier, able to concentrate better and achieve more so the aim of UIFSM is to improve academic attainment and save families money - over the course of a year the average family spends £437 on school lunches per child.

If you are in receipt of certain benefits and you think you qualify for Free School Meals, then please contact the School for an application form.

## PACK LUNCH or SCHOOL LUNCH

#### PACKED LUNCH

- Shopping and storing fresh ingredients
- Preparing the food
- Ensuring you provide all the goodness and nutrition your child needs to learn
- Washing up the lunch box and repeat...

**VS**

#### SCHOOL LUNCH

- All our tasty dishes are cooked fresh every day with plenty to choose from
- Every dish contains the necessary nutrients to aid learning\*
- Encourages social interaction and independent decision-making
- Students can help themselves to our daily salad bar

\*Our in-house Nutritionist creates bespoke menus to make sure we are meeting Food for Life Standards and Government Food Based Standards to our very best ability. We can meet all dietary requirements for individual children, such as gluten-free and diabetic.
