## Guidance for completion of the application for employment form

This information has been compiled to assist you in the completion of the application form. Please remember the application form is an essential part of our selection process, and the information you give will assist in selecting a shortlist of candidates for interview. It is therefore important that you complete the application form in full. If you wish to complete it by hand, please use black ink.

### Completing your application form:

**Read** through the information you have been sent and in particular study the advertisement, job description and person specification.

**Complete** all of the sections as fully as possible. If any information requested is not applicable to you then please state this in the relevant section.

**Curriculum Vitae (CV) – Please do not enclose a CV.** You are asked to complete the application form in full. It is acceptable to provide additional information in support of your application in the relevant section of this form, but this should be relevant to the job you are applying for.

**Return your form** - Please return to [enquiry@kingsbury.thrive.ac](mailto:enquiry@kingsbury.thrive.ac) or post to Kingsbury Academy, Kingsbury Road, Coventry, CV6 1PJ. All applications received are handled in accordance with the requirements of the Data Protection Acts 1998, 2003 and GDPR act 2018.

**Commitment to disabled people** - Disabled applicants can face additional challenges to gaining employment and we are committed to promoting employment opportunities for people with disabilities.

**Support and assistance** - We also aim to ensure that our recruitment process is flexible and supportive to individual needs so please contact the school to which you are applying if you need any assistance in completing the application form or if you need information in an alternative format.

**Definition of disability** - Under the Equality Act 2010 a person has a disability if she/he has a physical or mental impairment which has a substantial and long term adverse effect on his/her ability to carry out normal day to-day activities.

**Impairment** - A disability can arise from a wide range of impairments including: mental illness, learning disabilities, deaf and hard of hearing, sight impairments, diabetes, dyslexia, heart conditions, etc.

**Substantial** - This is something more than minor or trivial and beyond normal differences in ability which may exist among people.

**Long-term adverse effect** - The effect must be a detrimental one and is long-term if it has lasted or is likely to last for at least 12 months or for the rest of a person's life. If the effect is likely to recur beyond 12 months it is treated as long term.

**Normal day-to-day activities** - These are activities carried out by most people on a fairly regular and frequent basis. They do not include specialised activities which are normal only for a particular person or a group of people.

**Progressive conditions** - This applies to conditions which will increase in severity over time and are medically diagnosed as likely to have a substantial adverse effect on the ability to carry our normal day-to-day activities before they actually have this effect. Examples include muscular dystrophy, systemic lupus erythematosus (SLE), various types of dementia and motor neurone disease. A person who has cancer, HIV infection or multiple sclerosis (MS) will automatically be considered disabled under the Act. Those officially certified as blind or sight impaired by a consultant ophthalmologist may also automatically be covered.

**Past disabilities** - The Equality Act 2010 also covers people who have had a disability in the past.

### **Commitment to safeguarding of children and young people**

The post for which you are applying gives substantial access to children. Kingsbury Academy is committed to safeguarding and promoting the welfare of children and young people and all staff working with children and young people are expected to share a commitment to this.

You will be expected to report any concerns about the safeguarding of children and/or young people in accordance with the agreed procedures.

Successful applicants will be required, as part of their role, to attend regular safeguarding training relevant to the role.

If your conduct in relation to the safeguarding of children or young people gives cause for concern, the agreed child protection procedures will be followed alongside the MAT's disciplinary procedure.

References will be sought prior to interview and we will ask about your performance and conduct, including any disciplinary action taken and/or allegations/issues relating to children and young people in order that your suitability to work with children/young people can be assessed.

Employment is conditional upon the results of an enhanced Disclosure and Barring Service (DBS) check (with a barred list check) which will indicate your suitability to work with children.

Applications for teaching roles will involve a check of the Teaching Council's Prohibition List, to ensure they are not subject to a prohibition order issued by the Secretary of State.

### **Disclosure**

Under the Rehabilitation of Offenders Act 1974 (exceptions) Order 1975 you must disclose all cautions and convictions even if they are spent, unless they are protected cautions and convictions.

Protected cautions and convictions are not subject to disclosure to employers and cannot be taken into account. Guidance and criteria on the filtering of cautions and convictions can be found at the Disclosure and Barring Service website – <https://www.gov.uk/government/collections/dbs-filtering-guidance>

If you do have any convictions, cautions, reprimands or warnings; before signing this section of the application form, you must check the filtering rules to determine if you should declare them or if they are now 'protected' and no longer require disclosure.

Failure to disclose any previous convictions, cautions, warnings, reprimands or bind-overs that are not protected could result in dismissal should it be subsequently discovered.

Having a criminal conviction will not necessarily bar you from employment. Any information given, either when returning this application form or at interview will be entirely confidential and will be considered only in relation to this application.
