

PE and Sports Premium (PESP) Strategy 2019-2020

How is this premium used?

The aim of this PE & Sports Development strategy is to identify barriers that impact on pupil academic progress and outcomes, specifically as a result of their engagement (or disengagement) in PE, School Sports and physical activities. For our pupils this includes fostering a readiness to learn through developing increasing levels of independence, removing or reducing barriers, encouraging our pupils to develop healthy living skills where possible, and most importantly developing our pupils' level of physical fitness and resilience to enable them to engage with others in order to learn, be safe and be part of their school and local community. This also includes enabling our pupils to engage in sporting activities and competitions alongside their peers and those from other schools/settings.

The overall aims of this plan are to:

Raise the in-school attainment, progress and health of Primary age pupils, including those within the EYFS phase & build capacity in school

Reduce the progress gap over time, thereby enabling our pupils to be ready for life-long learning in the community, improve knowledge and understanding.

This plan is to be reviewed annually or sooner if new interventions are found which prove more beneficial to our pupils. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

PESP allocation 2019-2020 - £16,784.00

Note: Good practice case study examples from the Youth Sport Trust are considered when implementing strategies to add to/make improvements to the PE and Sports provision at Kingsbury Academy.

Area of Support	Type of programme & brief overview of support	Estimated cost of intervention	Suggested Outcomes
Extending the PE provision for Teaching and Learning aimed at improved engagement in physical activity.	Access external swimming provision	TBC	Pupils get passport to leisure cards to access a leisure facility outside of school hours. Greater number of pupils able to; <ul style="list-style-type: none"> - Swim with confidence - Swim 2-5m - Swim 5-10m - Swim 10-25m Raised community awareness of pupils with special educational needs.
	Outside gross motor development areas and provision.	£2000	Classrooms have a secure external adjacent to classrooms for pupils to further develop gross motor skills. Increased opportunities for physical activity and improving physical fitness

	PE and sport equipment to further engage pupils in PE and Sport.	£500	<p>Facilitate effective and positive skills-based learning during curriculum and leisure times.</p> <p>All staff to encourage active play at lunch and breaktimes.</p> <p>Continuity of opportunity for all pupils.</p>
